APPLICATIONS

Application for download at www.rebelsok.cz. Competitors apply collectively for the entire team/club by sending the application to the email: olga.kepkova@seznam.cz, no later than March 24th 2024. The Organizer will not consider applications submitted after this date. The application of judges is also part of the competitors' application. SUBSTITUTES

Reporting substitutes in team disciplines is possible no later than April 18th 2024, via email: olga.kepkova@seznam.cz

Letter changes are not allowed, only the removal of the entire team. A substitute may not change the age or gender of the discipline.

MUSIC

Send the music for freestyle disciplines no later than April 9th 2024 by an email to: olga.kepkova@seznam.cz. All freestyle disciplines are performed with music. The music track must be labeled with the discipline for which it is intended (SRIF, SRTF, SRPF, DDSR, DDTF, DDTF, WHPF), the name of the team/club, and the surnames of all jumpers.

For example: SRPF/Rebels/NovotnaSvoboda.mp3. The length of the music track can be up to 75 seconds (for DDTF a maximum of 90 seconds).

JUDGES

Each team/club is required to register one judge for Speed disciplines for every 4 (or part thereof) competitors, and one judge for Freestyle for every 8 (or part thereof) competitors participating in freestyle disciplines.

Speed judges must have at least IJRU Judge Level 1 certification (<https://ijru.sport/rules/judge-training>). Freestyle judges must have Level 2 certification, i.e., completed judge training conducted by a certified IJRU trainer.

Each Speed judge must have their own clicker or mobile application. For evaluating freestyle disciplines, judges will be allowed to use officially provided devices by Czech Jump Rope z.s. with the JumpRopeJudge application. Evaluation of FS with personal devices will be allowed only if the judge has the latest valid version of the IJRU application installed.

If a judge is also a competitor in a specific discipline, they must have a substitute for that discipline. One judge must judge the entire discipline.

In case of non-participation of registered competitors, the required number of judges for a specific team is not retroactively reduced, and judges registration cannot be canceled.

The minimum age for judges is 15 years. The competition organizer may grant an exception.

INSUFFICIENT NUMBER OF JUDGES: A fee of 1200 CZK is charged for each missing freestyle judge. Without the required number of Speed judges, the team cannot participate in the competition (or can only participate with a number of competitors corresponding to the number of provided Speed judges).

JUDGES' ATTIRE:

4. It is prohibited to soil the racing area (e.g., with glitter, crushed magnesium...). If this happens, the head coach of the particular team is responsible for restoring the area to its original condition before the entry of another competitor. Failure to do so will be considered as an unfair sports behavior.

5. All competition participants undertake to maintain fair play throughout the competition. The head coach of each team is responsible for observing the rules and appropriate behavior of all team members. In case of rule violations, unsportsmanlike, or inappropriate behavior, the team may be disqualified from the competition and automatically lose the right to be awarded.

6. By participating in the competition, every athlete and coach agrees that decisions made by referees are final and are not a subject to later review. Each athlete acknowledges the necessity for referees to make prompt and fair decisions in the competition and waives any legal or administrative review of such decisions.

7. By entering the competition, athletes, coaches, referees, and team accompaniment give their consent to the organizer to use media containing their voice and/or appearance. 10. By submitting the application, the participants confirm that they have undergone a sports medical examination confirming that their health condition does not limit or exclude participation in the competition. The medical confirmation must not be older than one year, and all athletes must have it with them during the competition and present it for inspection upon the request of the Organizer's authorized representative. If an athlete does not present a valid medical confirmation, they will not be allowed to participate in the competition in accordance with the current Decree on Health Fitness for Physical Education and Sport issued by the Ministry of Health of the Czech Republic under No. 391/2013 Coll.
